## **ELDERLY PEOPLE**

The last years of life are the sweet-est, and yet the most difficult to prolong. It is then that the greatest care is exercised in maintaining bodily health. But the chief care should alway be with regard to the food you eat and whether you are digesting it properly. You should not allow yourself to become constipated.

No doubt you have tried salts and cathartic pills, purgative tablets, etc., and have come to the conclusion that they are violent in action and do but temporary good. Listen, then, to the voice of experience with regard to a wonderful and mild laxative, Dr. Caldwell's Syrup Pepsin. It is not new, only we are trying to find new friends

only we are trying to find new friends for it.

A. A. Felts, of Johnston City, Hi, suffered from stomach trouble for six years and found his cure in Dr. Caldwell's Syrup Pepsin. His wife uses it too with success. We could name hundreds of others. Some heard of it first through neighbors or friends; others through the doctor's offer to send any sufferer from a stomach, liver or bowel complaint a free sample bettle for trial, without charge. If you will send your name and address he will send you a trial bottle direct to your home. If it proves itself as he claims then continue the transment by buying a folcent or I bottle of your drugglet, as all of them sell if. Ohl people, like children, should look for partty, and it is well to mention that the purity of this remedy is vouched for with the H. government. Also, though a free bottle is sent to prove its merits, results are always guaranteed from the regular bottles bought of drugglets; who will refund your money if it does not satisfy you fiend at least for the free best buttle to day.

THINK HARD It Pays to Think About Food.

The unthinking life some people lead often causes trouble and sickness, illustrated in the experience of a lady in Fond Du Lac. Wis-

"About four years ago I suffered dreadfully from indigestion, always having eaten whatever 1 liked, not thinking of the directible qualities. This indigestion caused palpitation of the heart so badly I could not walk up a flight of stairs without sitting down once or twice to regain breath and strength.

"I became alarmed and tried dieting. wore my clothes very loose, and many other remedies, but found no relief.

"Hearing of the virtues of Grare-Nuts and Postum, I commenced using them in place of my usual breakfast of coffee, cakes, or hot biscuit, and in one week's time I was relieved of sour stomach and other lils attending indigestion. In a month's time my heart was performing its functions naturally and I could climb stairs and hills and walk long distances.

"I gained ten pounds in this short time, and my skin became clear and I completely regained my health and strength. I continue to use Grape-Nuts and Postum for I feel that lowe my good health entirely to their use. "There's a Reason."

"I like the delicious flavour of Grape-Nuts and by making Postum according to directions, it tastes similar to mild high grade coffee."

### Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling cither of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death. The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Southing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. CASTORIA DOES NOT CON-TAIN NARCOTICS, if it bears the signature of Chas. H. Fletcher.

Letters from Prominent Physicians addressed to Chas. H. Fletcher. Dr. J. W. Dinsdale, of Chicago, Ill., says: "I use your Castoria and

advise its use in all families where there are children." Dr. Alexander E. Mintie, of Cleveland, Ohlo, says: "I have frequently prescribed your Castoria and have found it a reliable and pleasant remedy for children."

Dr. J. S. Alexander, of Omaha, Neb., says: "A medicine so valuable and beneficial for children as your Chatoria is, deserves the highest praise. I find it in use everywhere."

Dr. J. A. McCiellan, of Buffale, N. 7., says: "I have frequently prescribed your Castoria for children and always got good results. In fact I use Castoria for my own children."

Dr. J. W. Allen, of St. Louis, Ma., says: "I heartily endorse your Castoria. I have frequently prescribed it in my medical practice, and have

siways found it to do all that is claimed for it." Dr. C. H. Glidden, of St. Paul, Minn., says: "My experience as a proctitioner with your Castoria has been highly satisfactory, and I consider it

an excellent remedy for the young." Dr. H. D. Benner, of Philadelphia, Pa., says: "I have used your Castoria as a purgutive in the cases of children for years past with the most happy effect, and fully endorse it as a safe remedy."

Dr. J. A. Boarman, of Kansas City, Mo., says: "Your Castoria is a splendid remedy for children, known the world over. I use it in my practice and have no hesitancy in recommending it for the complaints of infants and children."

Dr. J. J. Mackey, of Brooklyn, N. Y., says: "I consider your Castoria an excellent preparation for children, being composed of reliable medicines and pleasant to the taste. A good remedy for all disturbances of the digestive organs."
